# Birdsboro CLIMB & CLEAN

SEPTEMBER 12-13 | 9AM - 6PM

The Birdsboro Climb & Clean is a weekend of work projects and community outreach (UCanClimb2 free climbing introduction) culminating with a Fundraising Dinner and Raffle on Saturday night. Camping is permitted during this event at designated areas. The Birdsboro Area Climbers Association (a Pennsylvania Not-For-Profit) raises much of its yearly operating funds during this event. This is an opportunity to give back to the climbing community by supporting it with your volunteer work and participation in the Dinner/Raffle. Together we can keep this sport climbing area well maintained to serve both climbers and the local community. For more information on this event, visit our website at [www.birdsboroclimbing.com](http://www.birdsboroclimbing.com)
